Jazz partners

Madison pianist and composer Jerry Vezza and Union City singer Frank Noviello are two plums of the Garden State jazz scene. Both men have consummate taste and know how to handle a fine melody. The two longtime colleagues, who showcased their splendid partnership on Vezza's recent A-1 CD, "You Are There" (Bridge Pin), team again for winsome versions of standards and originals Saturday, 8 p.m., at the Watchung Arts Center, 18 Stirling Road on the Watchung Circle, Watchung. \$18. Call (908) 753-0190 or visit www.watchungarts.org.
